GENERAL INFORMATION

NEW FOR 2019

The Tax Cuts and Jobs Act enacted at the federal level has resulted in changes to the calculation of Muskegon income tax as follows:

- The moving expense deduction has been suspended, except for certain Armed Forces members. See the federal instructions to see if you qualify for the deduction.
- The alimony deduction has been eliminated for payments required under divorce or separation instruments executed after December 31, 2019.

These forms and instructions were prepared prior to the issuance of final 2019 federal forms and schedules. They include references to federal forms and schedules that were still in draft form at the time of publication. Please contact the Muskegon Income Tax Department at (231) 724-6770 if you have any questions regarding what federal forms need to be attached.

RESIDENT INSTRUCTIONS AND PART YEAR

WHO MUST FILE A RETURN

Every resident or part-year resident of Muskegon who had taxable income in 2019 of \$600 or more must file a return by April 30, 2020. See Taxable Income paragraph below. Married persons may file either a joint return or separate returns.

If you do not meet the requirements for filing a return but Muskegon tax was withheld or estimated tax was paid, you must file to receive a refund.

WHO MUST USE THIS FORM

Full-year resident - If you were a resident of Muskegon during all of 2019 and had taxable income, you must use this form (M-1040R). All taxable income while a resident of Muskegon must be reported on this form, regardless of the source of the income. (See Taxable Income paragraph)

Part-year resident who worked in Muskegon as both a resident and a nonresident - In addition to filing a resident form, individuals who had income subject to the Muskegon tax both as a resident and as a nonresident must fill out and attach a M-1040 PY

Indicate to the left of the dollar amount entered on line 7 that such amount has been transferred from M-1040 PY. Do not fill in lines 1 through 6 on the front of the form.

Part-year resident who did not work in Muskegon as a nonresident - Do not use M-1040 PY if you were a part-year resident of Muskegon and did not work in Muskegon during the part of the year that you lived outside of Muskegon. Report on this form only your taxable income while a resident, regardless of the source of the income. Show the period you were a resident and your former address in the spaces provided.

EXTENSION OF TIME TO FILE

The due date of this return may be extended for a period not to exceed six months. **When a city extension is granted, tentative tax must be paid by April 30, 2020.**

TAXABLE INCOME

Muskegon residents are required to report the same kinds of taxable income on their city return as they report on their federal return, **with the following exceptions:**

- Gifts, inheritances and bequests are not taxable income.
- Pensions (including disability pensions), social security, annuities, IRA distributions after age 59 ½, and rollover of amounts from IRA's to ROTH IRA's are not taxable income. See the Income Tax FAQ section on our website for more information regarding which pension codes from Box 7 of form 1099-R are exempt and which are taxable.
- Proceeds of insurance (except that payments from a health and accident policy paid for by your employer are taxable to the same extent as provided by the Internal Revenue Code).
- Unemployment compensation and supplemental unemployment benefits are not taxable income.
- Interest from obligations of the United States, the states, or subordinate units of government of the states, and gains or losses on the sales of obligations of the United States are not taxable income.
- Military pay of members of the National Guard and the Armed Forces of the United States including Reserve pay is not taxable income. Attach a copy of your military W-2.
- Michigan State Lottery prizes won before July 1, 1993 are not taxable income. Michigan State Lottery prizes won after June 30, 1993 are taxable income.

DECLARATION OF ESTIMATED TAX

If you expect that your Muskegon income in 2020 not subject to withholding will be more than \$10,000 after deductions (\$100 in tax), you must file a Declaration of Estimated Tax (form M-1040ES) for 2020 by April 30, 2020 and pay at least one-fourth (1/4) of the estimated 2020 tax with your Declaration. The three remaining payments are due at the end of June, September and January.

Failure to file a Declaration of Estimated Tax and make the required payments will result in the assessment of penalty and interest for the late payment of tax. To avoid penalty and interest charges, you must pay in through withholdings and/or quarterly estimated payments at least 70% of your current year or prior year liability, whichever is lower.

If at any time during the year your income increases to such a level that one hundred dollars tax or more will be due at the end of the year, a Declaration of Estimated Tax must be filed.

The Declaration of Estimated Tax Forms M-1040ES (quarterly estimated vouchers for 2020) are included in this booklet.
