Project #: 2240217

Date of Addendum: June 6, 2024

Notice to Prospective Bidders

In accordance with Article 1 of the General Conditions, this Addendum is hereby issued as part of the Contract Documents.

PROJECT SPECIFICATIONS

1. Section 01 10 00 1.05

Add paragraph:

Contractor may close up to two roads at a time to complete the work. Road closures for Forest Avenue and Superior Street will not require a posted detour, however road closed barricades must be placed at City approved locations. Closure of Nims Street will require a posted detour using Laketon Avenue and Wood Street up to Irwin Avenue. All traffic control signage must be in accordance with the requirements of the 2020 MDOT Standard Specifications for Construction, the 2011 Edition of the Michigan Manual of Uniform Traffic Control Devices (MMUTCD), and City of Muskegon requirements. A maintenance of traffic plan must be submitted to the Owner and Engineer for approval by the Owner prior to implementation. All costs associated with traffic control will be the responsibility of the Contractor and included in the projects lump sum price.
