

MUSKEGON COUNTY STAKEHOLDER

Housing Survey

Muskegon County Residents, Employers, and Commuters are encouraged to complete the 5-Year Housing Needs Assessment.

Bowen National Research has been retained by the city of Muskegon and the Community Foundation for Muskegon County, to conduct a Housing Needs Assessment (HNA) of the city and county. As part of this study, we are surveying community leaders and organizations to gather valuable data and insight into the area and the factors that impact housing. Your participation is essential to paint an accurate picture of the housing challenges and opportunities in the county.

All responses will remain confidential, and only aggregate results (your responses combined with others) will be used. Please note that many of these questions are opinion-based and/or should be answered to the best of your knowledge. Deadline to complete survey is December 31, 2022.
