FOR ASSISTANCE

For assistance, visit the Income Tax Department, City Hall, 933 Terrace, Muskegon, Michigan or call the Income Tax Department at (231) 724-6770.

Failure to attach documentation or attaching incorrect or incomplete documentation will delay the processing of the return or result in corrections being made to the return.

**We can assist with any questions, but
cannot prepare your return.**

WHO MUST FILE A RETURN

If you had Muskegon taxable income greater than the total of your personal and dependency exemptions, you must file a tax return— even if you did not file a federal tax return. See Exemptions schedule for more information on your allowable exemption total. **You are required to file a tax return and pay tax even if your employer did not withhold Muskegon tax from your paycheck.** You will be required to make estimated income tax payments if you work for an employer not withholding Muskegon tax from your 2022 wages.

ESTIMATED TAX PAYMENTS

When your total income tax is greater than the amount of tax withheld plus other credits by \$100 or more, you may be required to make quarterly estimated tax payments. File Form M-1040ES (available on the Muskegon website) by April 30 of the tax year and pay at least one-fourth (¼) of the estimated tax. The remaining estimated tax is due in three equal payments on June 30 and September 30 of the tax year and January 31 of the following year. Adjust the remaining quarterly payments if your income increases or decreases during the year. **Failure to make required estimated tax payments or underpayment of estimated tax will result in assessment of penalty and interest.** If you have made estimated tax payments and do not owe more tax for the year, you still must file a tax return.

DUE DATE AND EXTENSIONS

Returns are due on or before May 1, 2023. The due date of the annual income tax return may be extended for a period not to exceed six months. To apply for an extension, use the Application for Extension of Time to File a Muskegon Income Tax Return. Applying for a federal extension does not satisfy the requirement for filing a city extension. Application for an extension must be made and the tentative tax due must be paid (MCL 141.664). Filing an extension with payment is not a substitute for making estimated tax payments. **An extension does not extend the time for paying the tax due.**

AMENDED RETURNS

If a change on your federal return affects Muskegon taxable income, you must file an amended return within 90 days of the change and pay the tax due. All schedules supporting the changes should accompany the filing. Every change must be explained. Mail amended returns to: Muskegon Income Tax, P.O. Box 29, Muskegon, Michigan 49443-0029

CHARGES FOR LATE PAYMENTS

All tax payments remaining unpaid after they are due are liable for a penalty of 1% per month, not to exceed a total penalty of 25%, and bear interest at the rate of 1% above the prime rate on an annual basis. The minimum combined charge for interest and penalty is \$2.00.

Wages are normally allocated using the actual number of days or hours worked in and outside the city during the tax year for an employer. Vacation time, sick time and holidays are not included in total days worked in arriving at the wage allocation percentage. Vacation pay, holiday pay, sick pay, bonuses, severance pay, etc. are taxable to same extent as normal earnings.

100% Earned in Muskegon. All wages, salaries, tips, sick pay, bonuses, deferred compensation, severance pay, and other compensation (Form W-2, box 1) is taxable to nonresidents who worked 100% of the time in the city.

Allocate Total Wages. Nonresidents who performed only part of their services for an employer in the city must allocate their wages using the **W-2 form box 1 amount, not box 18.** Compute excludible wages using the Nonresident and Part-Year Resident Wage Allocation section of the Excludible Wages, Salaries, Tips, Etc. schedule.

Wage Allocations on Commissions, Etc. A nonresident salesperson paid on a commission basis or other results achieved should allocate wages based on commissions received or other results achieved attributable to efforts expended in Muskegon. A nonresident insurance salesperson paid sales commissions and renewal commissions should allocate compensation on the following basis: Allocate commissions

from life, health, accident and vehicle (auto) insurance based on the location (residence) of the purchaser. Allocate commissions from group insurance based on the location of the group. Allocate commissions from fire and casualty insurance based on the location of the risk insured. Nonresidents working totally outside the city for an employer should exclude all of these wages.

Line 2 – Interest

NOT TAXABLE. Exclude all interest income. No explanation needed.

Line 3 – Dividends

NOT TAXABLE. Exclude all dividend income. No explanation needed.

Line 4 – Taxable Refunds, Credits or Offsets

NOT TAXABLE. Exclude all. No explanation needed.

Line 5 – Alimony Received

NOT TAXABLE. Exclude all. No explanation needed.

Line 6 – Profit (Or Loss) from a Business, Etc.

Profit (or loss) from the operation of a business or profession is taxable to the extent it results from work done, services rendered or other business activities conducted in Muskegon. Report on page 1, line 6, column A, business income reported taxable on your federal return.

The Exclusions and Adjustments to Business Income schedule is used to exclude business income. The total excluded business income from line 5 of this schedule is also entered on page 1, line 6, column B. If a business operates both in and outside of the city, the taxable profit or loss is determined using the three factor Business Allocation formula.

Where no work is done, services rendered or other business activity is conducted in Muskegon, the profit or loss is entirely excluded. Complete the Exclusions and Adjustments to Business Income schedule to exclude profit or loss from the operation of a business.

A Muskegon net operating loss carryover from the previous tax year is reported on page 1, line 16, column C. See instructions for line 16.

Line 7 – Capital Gains or Losses

Capital gains or losses of a nonresident are included in taxable income to the extent the gains or losses are from property located in Muskegon. Capital losses from property located in the city are allowed to the same extent they are allowed under the Internal Revenue Code. Unused capital losses may be carried over to future tax years. The capital loss carryover for Muskegon may be different than the carryover for federal income tax purposes.

Deferred capital gain income from installment sales and like-kind exchange of property located in Muskegon are taxable in the year recognized on the taxpayer's federal income tax return.

Flow through income or loss from an S corporation reported on a nonresident's federal Schedule D is excluded on the Exclusions and Adjustments to Capital Gains or (Losses) schedule **Attach copies of federal Schedule K-1 (Form 1120S).**

Use the Exclusions and Adjustments to Capital Gains or (Losses) schedule to compute exclusions and adjustments to capital gains. **NOTE:** A common error on a nonresident return is failure to complete the Exclusions and Adjustments schedule to exclude the capital loss carryover reported on the taxpayer's federal income tax return.

Line 8 – Other Gains and Losses

A nonresident's other gains and losses are included in taxable income to the extent the gains or losses are from property located in Muskegon. Deferred other gains and losses from installment sales and like-kind exchanges of property located in the city are taxable in the year recognized on the taxpayer's federal income tax return. Deferred other gains must be supported by attaching a copy of federal Form 6252 and/or Form 8824.

Flow through income or loss from an S corporation reported on federal Form 4797 is excluded on the Exclusions and Adjustments to Other Gains and (Losses) schedule. **Attach copies of federal Schedule K-1 (Form 1120S).**

Nonresidents reporting other gains and losses **must attach a copy of federal Form 4797.** Use the Exclusions and Adjustments to Other Gains and Losses schedule to compute exclusions and adjustments to other gains and losses reported on the federal income tax return. On line 4 of the schedule enter the total excluded other gains or losses and also enter this total on page 1, line 8, column B.

Line 9 – IRA Distributions

That portion of a premature IRA distribution that was deducted from a city's taxable income in the current or a prior tax year (reported on Form 1099-R, box 7, distribution code 1) are taxable to a nonresident. IRA distributions received after age 59½ or described by Section 72(t)(2)(A)(iv) of the IRC are not taxable.

Line 10 – Taxable Pension Distributions

Premature pension plan distributions (those received by a nonresident prior to qualifying for retirement) are taxable to the same extent the normal wages from the employer are taxable.

A nonresident remaining employed by the particular employer in Muskegon may not exclude amounts received from deferred compensation plans that let the employee set the amount to be put aside and do not set retirement age or requirements for years of service. These plans include, but are not limited to, plans under Sections 401(k), 457 and 403(b) of the Internal Revenue Code (IRC): Amounts received before the recipient could retire under the plan provisions, including amounts paid on separation, withdrawal or discontinuance of the plan. Amounts received as early retirement incentives, unless the incentives were paid from a pension trust. See Line 10 under "Residents" for additional information on nontaxable pension and retirement benefits.

Excludible pension distributions are listed on the Exclusions and Adjustments to Pension Income schedule. Enter the total excluded pension distributions on the last line of the schedule and also enter the amount on page 1, line 10, column B.

Line 11 – Rental Real Estate, Royalties, Partnerships, S Corporations, Estates, Trusts, Etc.

All income reported on the federal Schedule E that comes from business activity in Muskegon or property located in Muskegon is taxable to nonresidents. When an estate or trust has taxable income in the city, the estate or trust must file a return and pay tax on distributions to nonresidents and on undistributed taxable income.

The following income reported on federal Schedule E is excludable: income from business activity or property outside Muskegon; S corporation flow through income or loss reported on Schedule E; and income from estates and trusts.

Explain all exclusions on the Exclusions and Adjustments to Income from Rental Real Estate, Royalties, Partnerships, S Corporations, Trusts, Etc. schedule. Enter the total of the exclusions and adjustments listed on this schedule on line 6 and also on page 1, line 11, column B

Where no work is done, services rendered or other business activity is conducted in Muskegon, the entire farm profit or loss is excluded, using the Exclusions and Adjustments to Farm Income schedule.

Sales of crops at the produce market, any of the farmer's markets or a produce stand located in the city are Muskegon business activity and subject to Muskegon income tax.

Line 14 – Unemployment Compensation
