

# WHAT ELSE?

Share your thoughts on what else can be included as part of this planning! Do you have some ideas we should consider implementing? Use the Post-it notes to add your ideas to this board, and don't be afraid to **DREAM BIG**.

GREAT INITIATIVE!  
PLEASE MAKE THE ROAD DIET HAPPEN

why do we need ANOTHER bike PATH?

Try to slow down from bump outs and speed signs + lights lower. Need 4 lanes

ACCESS TO YES WATER, NO! PLEASE DO THIS SUPPORT THIS 100% New Housing!

GREAT IDEA!

If the study shows negative impacts - will the city still trade Fisherman's Landing for the Mart Dock lot?

Some nice Ideas! Please measure traffic on Muskogean and Webster starting NOW

I like the painted intersections.

YES! Do it.

Parking Ramp would be a higher priority for many. Contact MC BC - (Bike group) 231-206-6182

Public water access and not million dollar condos with private entry!!

Worth a try! Might work well - love to see Muskogean connect to Webster!

Fully in support!

You have my 100% support

Looking forward to here ideas that come from the study

What would a resident do on the lakeshore?? There is NO public space!

If you keep taking away parking and don't provide Easy Parking Structures - I'm not sure it makes sense.

What does the public get access to?

Just Don't Please!

WHAT DESTINATION HAVE YOU EVER DRIVEN TO WHERE TOO MUCH TRAFFIC MADE YOU TURN AROUND AND LEAVE? TRAFFIC IS A SIGN OF VITALITY.

Love the Concepts!

Make sure your study counts the cars that cut through on Webster and Western

It's a stupid idea! AGREE!

Terrible idea. build a bridge or tunnel

This will interrupt the progress being made in Muskogean by creating gridlock.

Bring People. Gas But you can't be Start sides parking - Need Easy Roads into out. Temporary Social District Expansion - Lakeshore/Downtown meet up for businesses -

I like the study!

Don't. Just Don't.

The bypass was built for a good reason.

Traffic will be too much for any event in the area

Your thoughts here!

Concerned about traffic on Webster & Muskogean Always up... increased traffic on Webster & Muskogean is a safety issue for our family neighborhood that our invested home owners have worked for.
